IDS & Reference Management

Elevating Your Patent Journey with IDS Management Mastery.

Navigate the complexities of Information Disclosure Statements (IDS) with confidence. Our IDS & Reference Management service streamlines your patent journey, ensuring comprehensive disclosure and compliance. We meticulously handle your references, reducing risks and strengthening your patent applications. Let our expertise elevate your IDS process, saving you time and enhancing the integrity of your intellectual property portfolio.

OUR SERVICES

- *Semi-automated process for reference management and IDS preparation.*
- *Initial and supplemental IDS preparation and filing.*
- *Citation matrix to effectively manage the entire patent family and references.*
- *Ability to manage IDS using our clients' software.*

WHY CHOOSE US

- *Reduce costs by nearly 60% with our flexible pricing.*
- *Over 5,000 IDSes processed.*
- *Dedicated IDS experts with 5+ years of experience.*
- *Bench strength ready to assist whenever needed.*

Our dedicated team prepares a citation matrix for each family, tracking all family members and related references. We provide copies of foreign references with machine translations and prepare the IDS transmittal along with the SB-08 form.
