# What We Do

## Technical Services

Draft n Craft's technical services in Intellectual Property (IP) are essential for safeguarding and maximizing the value of innovative creations. These services encompass a wide range of specialized activities focused on managing, protecting, and leveraging IP assets.

## Filing & Prosecution Services

Our filing and prosecution services are the backbone of IP management, ensuring the legal protection and enforcement of innovative ideas. We assist our customers with the preparation and submission of thorough applications for patents and trademarks.

## Post-Grant Services

Once a patent has been granted, it requires ongoing attention and management to maximize its value and enforceability. Our post-grant services are specifically designed to provide assistance with proofreading and patent term adjustment for granted patents.

## Administrative Services

At Draft n Craft, we provide a wide range of administrative services. These services encompass various tasks that contribute to the efficient functioning of both IP and non-IP processes. Our administrative staff serves as an integral extension of your existing paralegal team, supporting attorneys with their day-to-day, monotonous, and time-consuming activities.

## Trademark Services

Our comprehensive trademark support services prioritize safeguarding your brand. Our dedicated team is committed to assisting you throughout the process, from conducting thorough trademark searches to providing paralegal support and docketing. We offer a suite of services tailored to your specific needs.

Our extensive IP experience and subject matter expertise allow our clients to focus on what matters most, while leaving the routine tasks to our experts. Whether you're a corporation, law firm, or university, we seamlessly integrate as an extension of your existing team.

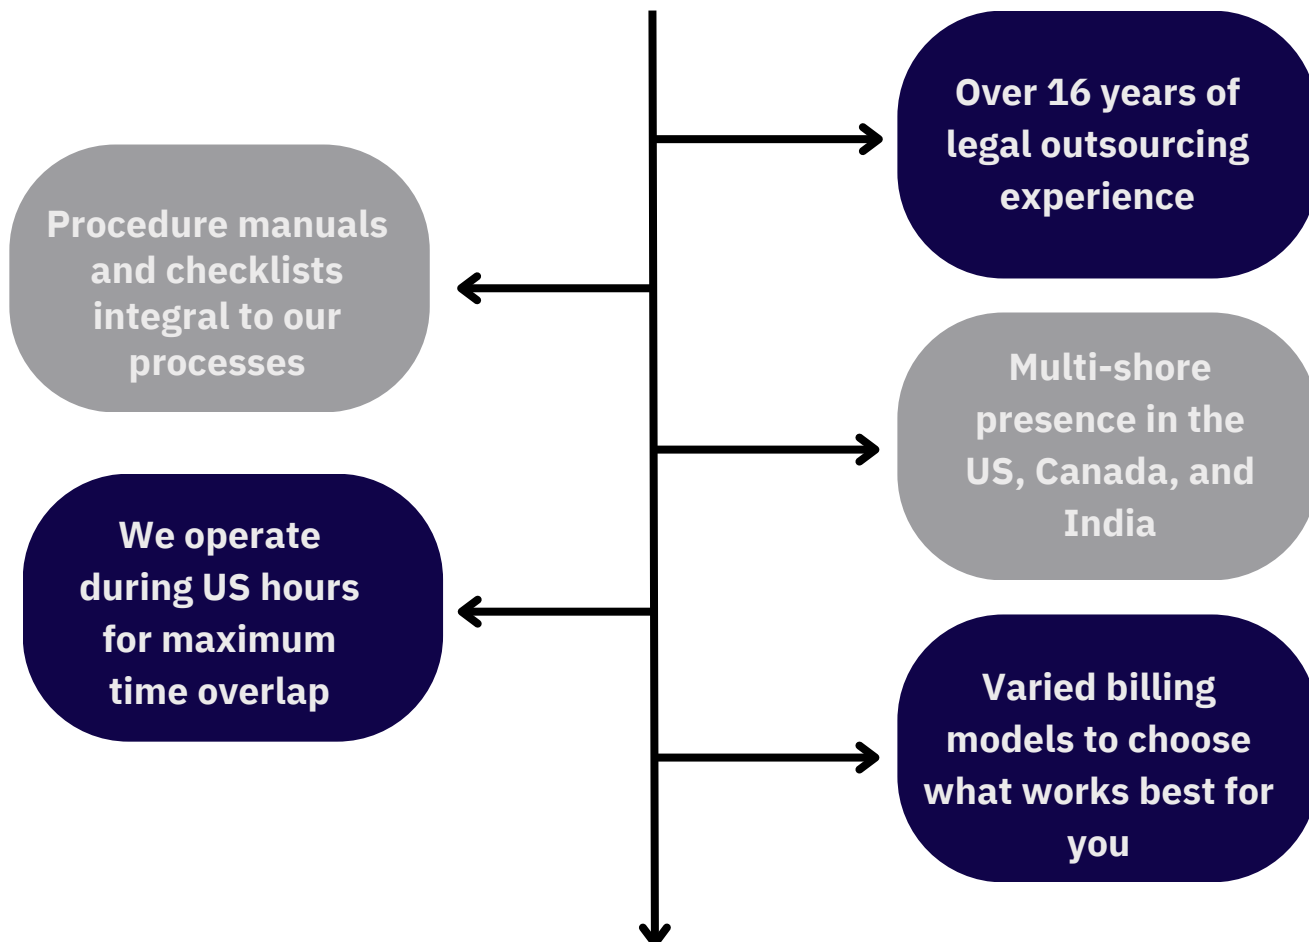

## Our Quality Statement

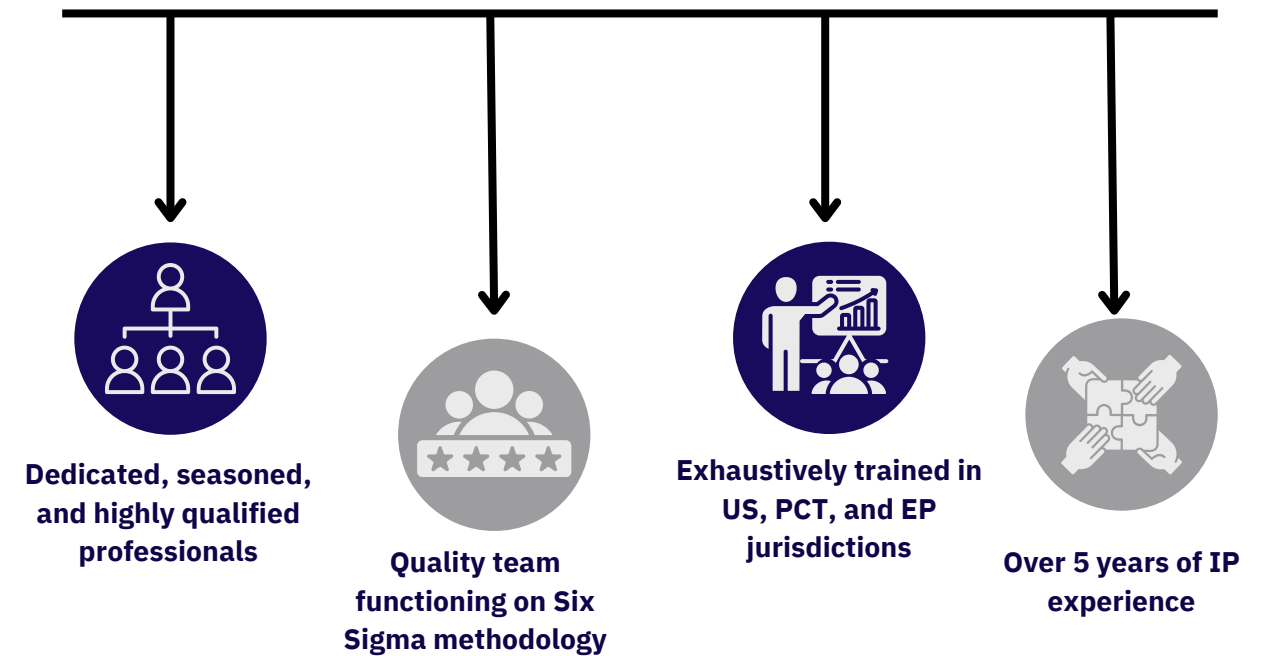

Quality is at the core of our intellectual property support services. We prioritize excellence through meticulous attention to detail and a commitment to continuous improvement. By embracing best practices and leveraging our expertise, we ensure that every aspect of IP protection and management meets the highest standards. Our dedication to quality drives value for our clients, safeguarding their intellectual assets and fostering long-term success.
