

SPECIAL PROJECTS

Empowering your team by alleviating capacity constraints

At Draft n Craft, we specialize in providing dedicated support for special projects, ensuring that your operations run smoothly even when your regular team faces capacity constraints. Our experienced team is here to help you navigate challenges and maintain efficiency during peak times.

Our Services

- ✓ We support clients with specialized projects when their regular team lacks the capacity.
- ✓ Services include backlog clearance, holiday coverage, new matter openings, and reference management.
- ✓ We act as fully trained backups whenever the need arises.
- ✓ Attorney support for day-to-day requirements.

Why Choose Us

- ✓ Fully trained team of docketing specialists and paralegals.
- ✓ Resources trained in multiple IP management software.
- ✓ No surprises on invoicing—fixed fee model.
- ✓ Bench strength ready to assist when the need arises.
